PLEASE READ THE FOLLOWING STATEMENT TO THE APPLICANT(S) AND PROVIDE THEM WITH A COPY OF THE CUSTOMER PRIVACY NOTICE TO ENSURE THEIR UNDERSTANDING BEFORE COMPLETING THE APPLICATION FORM: To protect you and Legal & General Home Finance from financial crime, Legal & General Home Finance may be required to verify the identity of new and sometimes existing customers. This may be achieved by using reference agencies to search sources of information relating to you (an identity search). This will not affect your credit rating. If this fails, Legal & General Home Finance may need to approach you to obtain documentary evidence of identity.

The applicant(s) wish to opt out of being sent marketing information (by post, telephone, email and SMS) about products and services of companies in the Legal and General Group or third parties whose products and services we offer to our customers.

To help you through the application, here are some guidance notes:

- Before starting the application, please ensure that you have checked our property and applicant/occupancy suitability requirements. This will avoid any unnecessary delays to you or the customer.
- We only lend on properties located in England, Wales or mainland Scotland.

DEFINITIONS

Age restricted: Age restricted is defined as a property which can only be purchased (and resided in) by an individual who meets the minimum age criteria within the lease or Planning Restriction.

Agricultural use: Any part of the property used for farming (arable or pastoral), providing any form of commercial income or having livestock on the property. This may include renting of land to other parties. Small holdings are included in this definition.

Annex: An annex forms part of the main house (as opposed to a self-contained unit which does not). It will provide all of the amenities needed for independent living including kitchen and bathroom, as well as a bedroom. It will also have its own access and can be secured as a separate unit. It shares gas, electric and water supplies with the main property. We only accept properties with an annex if it is not occupied.

Bankruptcy: Bankruptcy applies to an individual where he/she is subject to a bankruptcy order made by the court pursuant to an application by the individual or their creditor(s) (owed £5000 or more). Details of individuals subject to a bankruptcy order will be added to the Individual Insolvency Register. A confirmation of bankruptcy discharge does not necessarily mean that all the debts have been cleared. It may be that the Trustees in Bankruptcy have registered their charge against the property.

Charging order: Where a creditor has applied to have a County Court Judgment (CCJ) or other court order secured against a property and this has been granted by the County Court. Following the granting of a Charging Order the creditor could further apply for an Order of Sale to enforce the sale of the property in order to recover their debt.

Debt relief order (DRO): A DRO is an alternative to Bankruptcy for debtors who owe less than £20,000, have few or no assets (less than £1,000 and not homeowners) and little disposable income (less than £50 a month). A DRO usually expires after 12 months and is removed from the Individual Insolvency Register 3 months after the DRO ends.

Flooding: We are interested in flooding caused by river water, rain water or coastal flooding.

Heave: Heave is caused when the ground beneath a building moves significantly and moves upwards.

Home office: A building used by the applicant(s) for their personal use or to work from home. If there are any structural alterations or a defined access to trade, this would be classified as outbuildings for commercial use.

IVA: An Individual Voluntary Arrangement (IVA) is a legally binding agreement with an individual's creditors to pay all or part of their debts over time. An insolvency practitioner will usually be appointed as supervisor of an IVA and oversee its operation. Details of an IVA will be added to the Individual Insolvency Register, where they will remain until three months following the termination of the IVA. IVA's may be entered in to either before or after a bankruptcy order has been made.

Landslip: This occurs due to a movement of earth down a slope. It can be caused by a retaining wall giving way or the result of nearby excavation. It can also be caused by varying soil types affected by changes in weather/water table, etc.

Lasting/enduring Power of Attorney (POA): The creation of an enduring power of attorney, or EPA, is a legal process by which an individual hands over to someone else the power to decide what is done with their financial affairs and property. However, the cut-off to make an EPA was the 1st October 2007. From this date, it has not been possible to apply for an EPA and instead individuals will have had to apply for a Lasting Power of Attorney instead. All EPAs made before the cut-off date remain valid. This document can be used before registration by the Court of Protection, however it is essential to ensure that the EPA has not subsequently been withdrawn.

A lasting power of attorney (LPA) is a legal document that lets the individual (the 'donor') appoint one or more people (known as 'attorneys') to help the individual make decisions or to make decisions on their behalf. This document MUST be registered by the Court of Protection before use.

Listed building: For properties in England and Wales, these are listed on British Listed Buildings as properties of special architectural or historic interest.

For properties in Scotland, these are listed on Historic Scotland.

Lodger: We would define a lodger as a person who pays rent in return for accommodation in someone else's house. This will include sharing the kitchen, bathroom and communal areas.

If the individual has a tenancy agreement, we will class them as a tenant, and not a lodger.

Outbuildings used for commercial use: Any building which is being used for business purposes or generates an income. For example, stables which are rented to other parties.

Professional Consultant Certificate: As defined by the Council of Mortgage Lenders (CML). This is used by professional consultants when designing and/or monitoring the construction or conversion of residential buildings. Please refer to the CML website for further information.

Sheltered accommodation: We define sheltered accommodation as 'accommodation for elderly or disabled people' consisting of private independent units with some shared facilities and a warden. This is not the same as age restricted properties.

Subsidence: Subsidence is caused when the ground beneath a building moves significantly and moves downwards.
