Withdrawal of the OneFamily Super LTV Lifetime Mortgage

Earlier this year OneFamily launched the OneFamily Super LTV Lifetime Mortgage. The product has been met with very strong levels of interest and the initial funding allocation is being used quickly. As a result, OneFamily will be temporarily suspending the product whilst further funding is finalised.

Pipeline Cases

Please ensure a Full Mortgage Application (FMA) is submitted by 5pm, Monday 20 May 2019. Any applications after this will need to be for an alternative fixed or variable rate product. Applications for the Super LTV product will be reviewed on Thursday 20 June and may need to be re-submitted on an alternative product where a valuation has not been carried out on the associated property. Any affected brokers will be contacted before applications are cancelled. OneFamily would like to thank you for your support and will advise you in advance of when this product will be available again.
